

NEW FOR FALL 2016!

FREE RECYCLING EDUCATION ASSEMBLIES AVAILABLE COURTESY OF SOCRRA

SOCRRA is pleased to offer recycling education for grades K through 12 to *all* public or private schools located within our twelve member communities starting this fall. These assemblies are designed to educate students about recycling at home and school as well as the process and importance of recycling.

These *free* assemblies are an educational piece to the environmental puzzle!

Who: Children in K-12 at public or private schools located in a SOCRRA community: Berkley, Beverly Hills, Birmingham, Clawson, Ferndale, Hazel Park, Huntington Woods, Lathrup Village, Oak Park, Pleasant Ridge, Royal Oak, and Troy.

What: Free recycling education assemblies to explain what can be recycled at home and school, what happens to recyclables when collected at the curb, and the importance of recycling. Assemblies can be run up to one hour in length.

When: Assemblies are held at YOUR school and are absolutely FREE to the school. Multiple assemblies for different age groups can be scheduled.

How: Schedule today! If you are interested in scheduling an assembly, please go to www.socrra.org, click on the Education tab and follow the instructions to submit a request. If you have questions about other programs SOCRRA provides, please contact SOCRRA, by phone, 248-288-5150, or email socrra@socrra.org.
